As required by CARES, CRRSAA, and ARP, and in compliance with guidance from the U.S. Department of Education (the Department), Dartmouth College reports here its use of the Emergency Financial Aid Grants to students. The Department’s May 13, 2021 notice in the Federal Register (86 Fed. Reg. 26213) identified seven topics on which each institution receiving funding must report. The Department’s requirements appear enumerated in bold/italics below and Dartmouth's response appears immediately afterwards.

1. ***An acknowledgement that the institution signed and returned to the Department the Certification and Agreement and the assurance that the institution has used the applicable amount of funds designated under the CRRSAA and ARP (a)(1) and (a)(4) programs to provide Emergency Financial Aid Grants to Students.***

Dartmouth College acknowledges that it signed and returned to the Department the Certification and Agreement and the assurance that the institution has used, or intends to use, funds received under CARES to provide Emergency Financial Aid Grants to students. By accepting additional HEERF under CRRSAA and ARP, Dartmouth certified to the Department that it has used, or intends to use, the funds received to provide Emergency Financial Aid Grants to students.

2. ***The total amount of funds that the institution will receive or has received from the Department pursuant to the institution's Certification and Agreement for Emergency Financial Aid Grants to Students under the CRRSAA and ARP (a)(1) and (a)(4) programs.***

Dartmouth College received \$1,714,675 from the Department pursuant to the institution's Certification and Agreement for Emergency Financial Aid Grants to Students under CARES. Dartmouth College received \$857,338 from the Department for Emergency Financial Aid Grants to Students under CRRSAA. Dartmouth College received \$4,412,662 from the Department for Emergency Financial Aid Grants to Students under ARP.

3. ***The total amount of Emergency Financial Aid Grants distributed to students under the CRRSAA and ARP (a)(1) and (a)(4) programs as of the date of submission (i.e., as of the initial report and every calendar quarter thereafter).***

As of the date of this report, Dartmouth College has distributed \$2,214,650 of Emergency Financial Aid Grants to students from CARES, CRRSAA, and ARP.

Dartmouth has communicated with eligible students multiple times to ensure that they are aware of the availability of the funds and to answer questions about the distribution of the funds. Dartmouth will continue to communicate with eligible students, as appropriate.

4. ***The estimated total number of students at the institution that are eligible to receive Emergency Financial Aid Grants to Students under the CRRSAA and ARP (a)(1) and (a)(4) programs.***

Since the U.S. Department of Education expanded the student population eligible to receive HEERF, 6,292 Dartmouth students became eligible to receive Emergency Financial Aid Grants under the HEERF program.

5. ***The total number of students who have received an Emergency Financial Aid Grant to students under the CRRSAA and ARP (a)(1) and (a)(4) programs.***
